Choppington Primary School is a 'happy place to be'. How can we make it better? "You can't - this school is awesome!" " No - not really"	More lessons and more breaktimes. Make a Yr7and8. Make 3 maths lessons a day. Listen more to the teachers. No bullying. Only kind friend games. That ... can sit next to me. Motorbikes. Everyone stay on Green and follow the Golden Rules. A gym. Have Spanish lessons. More jobs. More homework. More lessons. People to be honest with each other.

We are pleased with the overall views of the pupils in this survey. The majority of our children understand why they are here, and enjoy school.

NB - I wish I could make a Year 7 and 8, a gym and encourage motorbikes to school, but that is a bit tricky.
